

MAIZE SOUTH MIDDLE SCHOOL

6th GRADE

Dear Parents/Guardians -

MSMS 6th grade physical education classes will be using Seesaw this year! Seesaw gives your child creative tools to capture and reflect on their learning - in real time. Then this work is shared with you. Seesaw will give you a window into each of our classrooms and into your student's learning process. We will use Seesaw to reflect and grow in areas of motor skills and self-reflection. Our students are excited to use this new tool in partnership with the great things our teachers do in their classrooms.

.You can download Seesaw's Parent App for iOS, Android, or use the web to view your student's learning artifacts. When your child adds new work, you will receive a notification to see, hear and respond to your child's learning item. *You only have access to your own child's work and all of the content is stored securely.*

We are happy to announce this new opportunity for our students. Please contact Brandon Wolff with any questions about Seesaw. With your help, we can continue building our school community of lifelong learners. You will receive a **Skyward Email** with directions to download and sign up for your child's Seesaw journal.

Thank you,

Brandon Wolff and Rosie Wendell
